NOTE: Prerequisites are subject to change. For the most up-to-date prerequisites, please visit SFSU’s bulletin page.

1. 25. Interned for non-Biology majors.
2. 26. BIB 100
3. 27. Restricted to Biology and Biochemistry majors and minors, Kinesiology majors, and Environmental Studies: Natural Resources Management and Conservation majors.
4. 28. First Year Math Advising Module. Students who elect to take additional support should concurrently enroll in MATH 123.
5. 29. Category I or II QM placement; or Category II or IV QM placement and MATH 168 with a grade of C or better; or G4 Area B4 (may be taken concurrently).
6. 30. CHEM 101 or CHEM 115, BICL 101, and BICL 101 or BICL 210, all with grades of C or better. Interned for non-Biology majors.
7. 31. BICL 101 and BICL 101 or BICL 212 and BICL 213.
8. 32. Restricted to Biology, Biochemistry, Chemistry, Clinical Science, and Kinesiology majors with sophomore standing or above, BICL 230 with a grade of C or better, or consent of the instructor.
9. 33. Restricted to Kinesiology majors: concurrent enrollment in KIN 234GW.
10. 34. Restricted to upper-division Kinesiology majors: GE Area A2, KIN 240† or KIN 250† (may be taken concurrently) and MATH 124† or equivalent with grade of C or better.
11. 35. Restricted to upper-division Kinesiology majors: KIN 240GW.
12. 36. Restricted to upper-division Kinesiology majors: BICL 230 or BICL 328 or equivalent with a grade of C or better. KIN 240GW† (may be taken concurrently).
13. 37. Restricted to upper-division Kinesiology majors: completion of BICL 212†, or equivalent, KIN 240, or KIN 250, and KIN 240GW.
14. 38. Restricted to upper-division Kinesiology majors: KIN 240GW (may be taken concurrently).
15. 39. Restricted to upper-division standing: KIN 240† or KIN 250 with a grade of C or better, 6 units of upper-division KIN courses, and completion of GE Area A and B4 courses, or consent of the instructor.
16. 40. Completion of GE Area A and B4 Courses with grade of C or better.
17. 41. KIN 240 and KIN 240GW or consent of the instructor.
18. 42. Restricted to Kinesiology majors: upper-division standing: KIN 240†, KIN 310, and KIN 340GW†, or consent of the instructor.
19. 43. KIN 250† or KIN 240 or consent of the instructor.
20. 44. Restricted to upper-division standing: GE Areas A1, A2, A3, and B4.
21. 45. Restricted to upper-division standing: KIN 240 or GED 250 or GED 250 or equivalent, or consent of the instructor.
22. 46. Restricted to upper-division Kinesiology majors: KIN 240, KIN 340GW, and KIN 489H or KIN 487H (may be taken concurrently).
23. 47. Restricted to upper-division Kinesiology majors, enrollment in a teaching credential program: KIN 340GW; concurrent enrollment in KIN 250.
24. 48. Admission to credential program or consent of instructor.
25. 49. KIN 750 must be taken concurrently with SED 800 or SED 791.
26. 50. Concurrent enrollment in SED 791.
27. 51. Concurrent student; concurrent enrollment in SED 800.

NOTE: Prerequisites are subject to change. For the most up-to-date prerequisites, please visit SFSU’s bulletin page.

BACHELOR OF SCIENCE IN KINESIOLOGY
Concentration in Integrated Teacher Education Program (ITEP) in Physical Education

College of Health & Social Sciences
Department of Kinesiology

Updated Fall 2022

The Integrated Program of Professional Preparation consists of a 4-year Physical Education Teaching Education program that allows students to earn both their bachelor’s degree and teaching credential. Students will complete the required courses for the major in 3 years and during the 4th year, take the courses required for the single subject Physical Education credential (Student Teaching requirements). In general, the Integrated Program is comprised of courses already offered in the Subject Matter program approved by the California Commission of Teaching Credentialing (CTC) and the Secondary Education department. In addition, students will have the option to add the Adapted Physical Education authorization to their credential by completing all required courses.

Students in all the programs must work closely with an advisor to set the proper pathway for successful graduation. Undergraduate students interested in pursuing a master’s degree in kinesiology should speak to their academic advisor after completing core requirements in the program (KIN 251, KIN 384, KIN 457, KIN 480, and KIN 482).
